71st RILEM Annual Week & ICACMS 2017

International Conference on Advances in Construction Materials and Systems

September 3 - 8, 2017

<http://www.rilem2017conference.org>

Organizational Partners

NCSHS
NATIONAL CENTRE FOR SAFETY OF HERITAGE STRUCTURES

Conference themes

- Advances in supplementary cementing materials
- Concrete durability and performance specifications
- Early age behavior and rheology of cementitious system
- Special concrete and applications
- Advances in characterization of construction materials
- Sustainable building systems
- Bituminous binders and mixtures
- Repair and conservation of heritage structures
- Corrosion control and monitoring in concrete structures
- Repair materials and repair systems for concrete structures

Pre-conference workshops on

- Rheology of bituminous/asphalt systems and assessment tools
- Corrosion monitoring and control in concrete structures

Post-conference workshops on

- Safety of heritage structures
- Closed loop testing using servo-hydraulic systems
- Limestone calcined clay cements

Confirmed Sponsors

BASF
We create chemistry

Registration Fee for conference and workshops

Type of Delegate	Until Mar 31, 2017 (USD)	After Mar 31, 2017 (USD)
Regular	450	550
Discounted Regular (RILEM / ISAP / ICI / TRG Members)	400	500
Subsidized (from countries with Low GDP*)	250	350
Student Authors(Regular)	200	250
Student Authors (Subsidized) (from countries with Low GDP*)	120	150

Important Dates

Abstract submission	October 31, 2016 https://easychair.org/conferences/?conf=icacms2017
Abstract acceptance	November 30, 2016
Full Paper submission	February 15, 2017
Final Full Paper submission	March 31, 2017
Pre- and Post conference workshops	September 3 rd and 8 th , 2017
Conference	September 5 - 7, 2017
Registration opens	January 2017

Organizing Committee

- Manu Santhanam, IIT Madras, Chairman
- Ravindra Gettu, IIT Madras, Co-Chairman
- J. Murali Krishnan, IIT Madras, Co-Chairman
- Arun Menon, IIT Madras, Co-Chairman
- Benny Raphael, IIT Madras
- Carlos Espina, Lafarge-Holcim
- Geert de Schutter, Ghent Univ.
- K Jayasankar, Ultratech Cement
- Nicolas Roussel, IFSTTAR
- Nigel Pradeep Narayan, The Masterbuilder
- Radhakrishna G. Pillai, IIT Madras
- K. Ramamurthy, IIT Madras
- Shashank Bishnoi, IIT Delhi
- Viswanath Mahadevan, BASF
