

Mérida | Yucatán **2021**  
M É X I C O

*& International Conference  
on Advances in Sustainable  
Construction Materials  
and Structures*

**August 29<sup>th</sup> - September 3<sup>rd</sup>, 2021**

## Organized by:

The School of Civil Engineering of the Universidad Autónoma de Nuevo León and Center for Research and Advanced Studies (Cinvestav), Campus Mérida and Campus Saltillo.

RILEM Week is the annual meeting of the standing committees of RILEM; these take place every year in conjunction with a major international conference.

Recent RILEM Week were held in Sheffield (2020), Nanjing (2019), Delft (2018), Chennai (2017), Copenhagen (2016), Melbourne (2015), and Sao Paulo (2014).

## Important dates:

Abstract Submission	31 January 2021
Notification of acceptance	31 March 2021
Finalisation of extended abstract	31 May 2021
Conference opening	29 August 2021

# CALL FOR ABSTRACTS

*Abstract Submission is now open for the*  
**International Conference on Advances in Sustainable  
Construction Materials and Structures**

Abstracts of up to 300 words are being received for oral presentations  
A modality of poster presentation is optionally available only for students  
registered to the state-of-the-art PhD courses

The deadline for abstract submission is **January 30th 2021**  
visit <http://rilemweek2021.uanl.mx/> then call for abstracts

## The themes of the Conference are:

- Supplementary Cementitious Materials
- Durability and Life Cycle Assessment in Urban and Marine Conditions
- Additive Manufacturing in Concrete Construction
- Structural Performance and Design
- Non-Portland Cements and Alkali Activated Cementitious Materials and eco-concrete
- Cultural Heritage
- Non-Destructive Testing Techniques
- Other Materials

Extended abstracts will be requested for accepted contributions
