(* Notes for the participation to the 7th SIIV Arena:

All PhD students interested in participating in the 7th SIIV Arena must send the following documentation to the email address siivsummerschool2022@gmail.com by **June 30th 2022**:

- **The present registration completed in its entirety;**
- **A 4 pages-long abstract** in which the objectives, motivations and results (expected and / or already achieved) of the research are clearly highlighted, prepared according to the specific template (file: **Template_SIIVArena2022.docx**);

The documents transmitted will be subjected to a prior evaluation by the Scientific Committee for the presentation (that will take place on September 9th 2022) and publication in the proceedings of the SIIV Arena.

The Executive board of the Italian Society of Road Infrastructures (SIIV) will assign four awards:

- best experimental activity;
- best technological impact;
- best innovative idea;
- best methodological approach.
